

NON-OBSERVED ECONOMY

PROPOSED DATES | January 27-31, 2025

TARGET GROUP | Junior to mid-level government officials in statistics agency/committee/office involved in the compilation of national accounts. Participants are expected to have a degree in economics or finance or equivalent work experience. Your current job or responsibilities at work should be linked to the topic of the workshop.

DESCRIPTION | The workshop, delivered by the IMF's Statistics Department in cooperation with the Caucasus, Central Asia, and Mongolia Regional Capacity Development Center, is related to technical assistance on the compilation of non-observed economy (NOE) estimates. The workshop starts by reviewing types of NOE, data sources and compilation methods. Participants are expected to share their experience and may be asked to make country presentations. Peer learning will be an essential element of the workshop.

OBJECTIVES | Upon completion of this workshop, participants should be able to:

- Develop source data for the NOE compilation.
- Compile output of NOE by applying appropriate methods and techniques

LANGUAGE | The workshop will be delivered in English language with simultaneous interpretation to Russian.
